The ballot papers will be stored in accordance with the requirements of the Trade Union and Labour Relations (Northern Ireland) Order 1995 (The 1995 Order).

As Scrutineers appointed in accordance with Article 15 of The 1995 Order, we are satisfied as to each of the matters specified in Article 19(3) with regard to the election. The following points should also be noted:

- 1) The person appointed under Article 18 to carry out the storage and counting of voting papers was Electoral Reform Services Limited.
- 2) The person appointed under Article 18 to carry out the distribution of the voting papers was Electoral Reform Services Limited.
- 3) A copy of the register of voters (as at the relevant date) was examined in accordance with Article 15(3). The examination took place at our own instance and did not reveal any matter that should be brought to the attention of the trade union.

We would draw your attention to Articles 19(6), 19(7), 19(8). Article 19(6) requires that a copy of this report be published and made available to all members of NIPSA within a three-month period from today. This however, does not mean that every member has to be notified individually.

The ballot papers will be stored for a period of twelve months, before being securely destroyed.

Yours sincerely

Alex Lonie
Manager of Trade Union and Membership Organisation Sector
