**Launch of NIPSA Commissioned Research on Obstacles to
Young Adults Engaging in Union Activities and Structures**

Dear Colleague

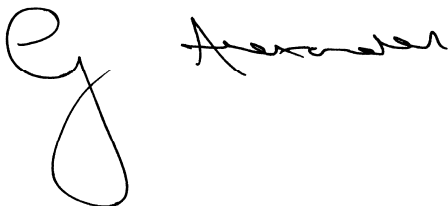

The NIPSA commissioned research report on obstacles to young adults engaging in union activities and structures, which was undertaken by Trademark, will be formally launched on **1st October 2010** in **The Black Box, 18-22 Hill Street, Belfast** from **12 noon to 2.00 p.m.** A copy of the outline programme is enclosed.

The event will provide an opportunity for NIPSA activists and those members and non-members who took part in the research to hear from the researchers on their findings.

The event is open to members and non-members who would like to learn more about NIPSA and what it can offer young people to-day, especially at a time of unprecedented cuts in public spending which will have a major detrimental impact on all of us.

I would therefore ask branches to encourage young members and non-members to attend this event. Details should be sent to Karen Barrett on the form attached or e-mailed to karen.barrett@nipsa.org.uk no later than **Wednesday 22nd September 2010**.

Yours sincerely
